About US

Our Company "Element Unit Design LLC" have been at the forefront of commercial and residential refurbishments for over 10 years, working in partnership with architects, designers, and individuals to create stunning and exciting places to live, work and play. We have built an enviable reputation for high-quality work, focused project management, attention to detail, and stringent budget control.

Our Services reflect this relentless energy through quality and advocacy for our clients. All of our services mentioned below are delivered through eco-friendly concepts that enhance the lifestyles of our clients in harmony with nature. Client satisfaction plays a key role in every aspect of our Services offerings including the post-delivery maintenance that we provide. This is to ensure complete satisfaction for our clients and to provide the highest quality service with personal project involvement incorporated with our principles.

OUR HISTORY SINCE 2009

Element Unit Design LLC was founded in 2009 and is based in the Abu Dhabi Emirates. It is one of the premier providers of interior design and related services and over the years, has done Interior Fit-outs & Furniture solutions throughout the United Arab Emirates. Tuned to your specifications, we produce custom-made solutions encompassing a complete range of high-end interior and furnishing services solutions. Since our Foundation, we are committed to exceeding your expectations for value service, and quality, for more than 10 years this commitment to our customers has helped us to grow to become the area's most trusted Interior Fit-out & Office furniture works company. Backed by a proven track record and expertise, the company possesses an in-depth understanding of the markets we operate in.

VISION

We develop a vision for each project through a carefully evolved process in which we assess the client's needs in an interactive manner and subsequently provide approximate visuals and sample materials.

We consistently deliver eco-friendly world-class finishes in our interior design concepts. We execute and complete all projects in such a way that it creates an ambiance echoing the desires of our client's hearts and to enhances their lifestyle in harmony with nature.

MISSION

Our mission is to fulfill each client's requirements on every project and to ensure their complete satisfaction by going that extra mile using our superior craftsmanship. We strive to provide comprehensive and personalized interior design & fit-out solutions enhancing both ambiance and quality whilst minimizing cost and maintenance.

We are looking to emerge as a leading and vital player in the UAE market, and to expand in other vital areas in the Emirates by providing niche solutions and services to all types of domains, including international, fast-growing companies, government departments, and beyond.

Our Services

Element Unit Design diverse clientele is a testament to our ability to respond to the evolving of the market.

We have access to a huge range of furniture, furnishings, fitting and fixtures, wall coverings, fabrics, floorings, ceilings, and wooden joinery works and have worked with tried and trusted designers, suppliers, and manufacturers who can literally make anything we can think of.

Our passion is translated through our style of design which consist of residential, commercial, traditional, transitional contemporary, luxury, and modern.
